### HAPPY CHRISTMAS!

Dear Parents and Carers,

I can't quite believe it's that time of year again! The children have had such a wonderful, busy time in school! It was lovely to see so many of you at our Christmas performances. It really made their shows all the more special to see so many of you in attendance.

From everybody at Corinthian, we would like to wish you a wonderful Christmas break and we look forward to seeing you on Monday 5<sup>th</sup> January 2026!

Kindest Regards,

Mrs Cliffe and Team Corinthian

#### Communication

We would like to apologise for any confusion regarding own clothes day and the Christmas Fayre day. It has been brought to our attention that, at times, emails are not filtering through with our app. It is always our aim to make things as straightforward forward as possible and for communication to be clear and accessible. As such, we are disappointed that this did not happen last week and we therefore apologise for any inconvenience caused.

We are going to send out a communication questionnaire in the new year as part of the review of our new Arbor app. We encourage parents to complete this so that we can address any issues that have arisen with the roll out of this.

## Uniform

This term, we have noticed that uniform is slipping a little. It's really important that all children wear the correct uniform to provide a sense of belonging and to create very clear, secure expectations. As such, we are going to be really monitoring this in the new year. Please approach Mrs Lovatt if you need support with this.

## Attendance and punctuality

Although our attendance has marginally improved this year, we are still not where we want to be. We are still significantly behind both the national target of 97% and the national average of 94.7%. Our current attendance is 92.8% We simply cannot allow this rate of attendance to continue. In the new year, Mrs Cliffe will be calling families daily where attendance is becoming a concern, and, subsequently, home visits will take place where appropriate.

We need your support to achieve this in the new year!

## SEND and coffee afternoon

We are pleased to announce that we are organising another coffee and SEND parent information afternoon on Wednesday 4<sup>th</sup> February 2026 2:15pm - 3:15pm. We have invited a number of external professionals, as well as our SENDCo team, pastoral lead and leadership team. Come along, have a cuppa and use the opportunity to ask any questions that you may have, or to seek any support that you may need.
