Mrs Leatham

School Nursery Hours will be provided over 2 and a half days.

In the morning children are greeted by 2 members of the Nursery team at the Nursery door in the Nursery outdoor play area. Parents / Carers will come into Nursery and help their children change into indoor pumps.

All children are to be collected at the end of sessions at the Nursery door. The gate will be open from 3pm to allow parents who collect from the main site time to get across.

Children must be brought and collected by a parent or other adult familiar to both child and Nursery staff. If at any time, a different adult will be collecting a child, Nursery staff should be informed, verbally or by a phone call or by a password known to staff. We will not let the child go unless we have been pre-warned. Please be patient with us as we will get to know all the new faces. Children will only be called two at a time to ensure they are safely handed over to the care of their adults

You have the option of either:

Monday, Tuesday and Wednesday

9 – 3.15 9 – 3.15 9-11.30

Wednesday, Thursday and Friday

12.45 - 3.15 9 -3.15 9 – 3.15
